In his opinion legal adviser said that, as the prayed information of the complainant is the Subjudice of the under trial case if the two information is provided it will be the contempt of court. It is physically found that, two cases are under trial of Motwalli with the complainant. Mr. Md. Khorshed Ali, the Motawalli of the said estate did not cooperate properly for settling the matter. “Is it is said to the complaints of the continuous case in somewhere, it cannot be provided two prayed information of the complainant, or if provided it will be harmful? If injunction what amount cannot be provided? If there is any injunction why the Waqf Administration do not taking any action against the Motawalli not for cooperating in the matter of providing information?” In the response of such question of the Commission the learned advocate for the opposite party said that, According to chapter 61 of Waqf Ordinance at first legal notice can be made in the concerned matter. In the next time legal action can be taken in its sequence.

08) When the learned advocate Md. Shahnewaz Khan for Motawalli and legal adviser of the Office of the Waqf Administrator gave their opinion the matter as the Subjudice for presenting the clear explanation for it and as the Motawalli was not attend even after announcing summon for the more than one time what action has been going to take against him according to Wakfa Ordinance, a day of hearing has been fixed on 10-03-2012 as the special complaint. Summon was issued for the concerned parties according to the decision of the Commission.

09) On the basis of the summon of the Commission on the day fixed for hearing the complainant and the Designated Officer presented their statements being appeared. But the Motawalli (third
party) is absent. The complainant complaint in his statements that, two prayed information was not found still now.

10) The learned advocate Mr. Mesbah Uddin Khan appeared for the Designated Officer of Waqf Estate informed in his statements that, after the hearing on 31-01-2013 according to the given decision opinion why the matter is Subjudice to the legal adviser of the office of the Waqf Administrator and the Motawalli? When asked for the clear explanation he provided the separate explanation. Their sent explanation has been presented in the tribunal.

11) The provided explanation by the legal adviser and the Motawalli submitted by the Designated Officer has been reviewed by the Commission. After the reviewing the Commission gave this opinion that, “The Commission is not satisfied in the explanation provided by the own legal adviser of the Office of the Waqf Administrator and the Mr. Shahnewaz Khan, the learned advocate for the Motwalli. Besides this, according to the direction of the previous hearing the Waqf Administrator did not take any action against the Motwalli. So, for the proper solution of the matter what is the liabilities of the Appellate Authority it is necessary to inform. In this matter next day of hearing is fixed on 15-04-2013. According to the decision of the Commission summon was issued to the complainant, the Designated Officer of the Office of opposite party Wakfa Administrator and the Appeal Authority.

Deeming the two prayed information as Sub-judice the Motawalli did not provide the two information. When asked whether any court order injunction in providing the proposed information the Commission was informed there is no information in the Office of Waqf Administrator in this matter. But, not for providing the said information the concerned papers and documents has been sent to the legal adviser for filling the criminal case as per section 61 of Waqf Estate of 1962 against the Motawalli. A certificate has been provided to this effect that, case will be lodged in the concerned court on 16-04-2013 by the legal adviser of the Office of Wakfa Administrator.

Discussion
Hearing the statements of both complainant and the Designated Officer and reviewing the submitted evidences it was noticed that, though the prayed information of the complainant is said to be Subjudice whether injunction was ordered by any court, to this effect no information is mentioned in the office of the Waqf Administrator or in the explanation given by the legal adviser of the Office of the Waqf Administrator or Motawalli. As the prayed information of the complainant remain to the third party that means to Mr. Khorsheed Ali, the Motawalli of the Estate and in spite of providing direction of providing information again and again no providing the prayed information the steps taken by the Waqf Administrator against the Motwalli is clear as correct to the Commission as per Wakfa Ordinance 1962.

The designated officer mentioned that he has asked the complainant to take the information via email, but he also denied that the email was not received.

06. Sheikh Abdul Mannan, RAJUK Member (Planning) and Designated officer mentioned that, as he did not had the information ready under section 1 and requested information was not clear, he asked the concerned section vide memo- RAJUK/Admin/33/287/1697 dated 16/09/2012 to provide such information. As far as the requested information was understood has been sent to him vide memo no
RAJUK/Admin/33/287/1876 dated 17/10/2012. Being dissatisfied with the given information the complaint preferred an appeal application to the Chairman, RAJUK. As per the appeal application the complainant was sent an email dated 21/01/2013 for paying the cost of information and checking the documents. But later the complainant did not contact.

**Discussion**

After listening to the Complainant and the Designated Officer, and reviewing all the submitted proofs, it was found that the complainant’s requested information was not specific and clear for which the Designated Officer could not provide them properly. Among the requested information, in serial no: 1 the specific names of RAJUK Housing Projects and in Serial no: 3 the dates, years should be mentioned. If the complainant applied in the proper way then it reveals that the designated officer could have provided all information properly.

**Decision**

The case is disposed of with the following instruction:

The complainant is directed to submit the request for information clearly as per section 8 of Right to Information Act, 2009.

Send copies to all the parties concerned.

3. The complaint was discussed in the meeting of the commission on 14-01-2013 and as per decision of the meeting, summonses were issued to the concerned parties fixing date of hearing on 31-01-2013.

4. On the date fixed for hearing both the complainant and the opposite party remaining present adduced their statements. The complainant stated in his deposition that he for the information but the designated officer denied to provide the same. Being aggrieved, he preferred an appeal to the appellate authority. Again getting no remedy even on appeal he filed this petition of complaint to the Information Commission.

5. Deputy Register and the Designated Officer of the department of Co-operative Mrs Rikta Dutt in her deposition stated that she does not have any information of para-1. As the third party is involved with the requested information so she sent letters to the concerned wing as well as to Bangladesh Co-operative Insurance Ltd to collect the requested information. The concerned wing informed that under the provision of section 9(8) of Right to Information Act, 2009 the aforesaid
society had their interest and they had written objection so there have no scope to provide the requested information according to the section 9(3) of Right to Information Act, 2009. So she did not provide the information. Being present here, in the tribunal, she learnt that this is a public document. So, she ensured the commission to provide the requested information after collecting the information from the concerned wing.

Discussion

Considering the statements adduced and documents produced by both the parties it revealed that the requested information is a public document. There is no legal bar in providing the requested information. As the Designated Officer ensured the commission to provide the requested information after collecting from the concerned section, the case seemed to be disposable.

Decision

The case is disposed of with the following directions:

5. The Designated Officer is directed to provide requested information on or before 20-02-2012 subject to realization of cost of information.

6. The Designated Officer is directed to deposit the amount realized as cost of information to the govt. treasury in code no 1-3301-0001-1807 as per section 9 of the Right to Information Act, 2009 and rule 8 of the Right to Information (Receipt of Information) Rules, 2009.

But the complainant was not satisfied to the information and under RTI Act, 2009 section 8(1) applied to the Finance Advisor and Chief Accounts Controller/ East, Bangladesh Railway.

CRB, Chittagong for the information mentioned below:

Information on the appointment of Auditors in Bangladesh Railway (as per the appointment circular in Daily Independent newspaper dated 27/04/2011)

1. The Daily Independent newspaper of 27/04/2011 (published from Finance Advisor and Chief Accounts Controller/ East, Bangladesh Railway. CRB, Chittagong) did not mention that, if the post is less/ the ward quota will not be settled for the district wise applicant. Division wise the children quota will be distributed. As per section 3 from the first total vacant post, as per
regular rules 10% from the orphans/ physically disable and 40% would be reserved for the ward for the Railway officers, that would be divided among district quota. The question is-

a. The attested information provided to applicant on 23/09/2012 tells that, there was no specific quota for district. Division wise the quota has been distributed. Here the circular mentioned condition says that ward quota would be given from district quota, so from where the division quota came?

02) Ward quota of how many districts of Dhaka Division was fixed/ not fixed and how many wards have been appointed finally from the districts?

03) How many wards from Madaripur greater district submitted application and how many of them took part in the examination?

04) What was the lowest number fixed for pass number in written and viva-voce?

07) Achieved number of the applicant in viva-voce, photocopy of draft tabulation sheet (No computer print), tabulation sheet of written examination (Name of the examiners with name, designation and signature)

08) Attested copy of attendance sheet (Mobile numbers written by the applicants in the attendance sheet)

09) The information provided by the authority on 23/09/2012 was oblique so I need original attendance sheet without any alteration.

10) How many persons, from which districts, have been appointed finally as Auditor?

b. As per condition 1(tha) of Job circular it is told that, if anyone apply from special quota then with proof the application should be submitted. Additionally in the section 4(cha) it has been mentioned that if the ward quota is limited to 40% then why the total result will not be limited to district quota?
c. In the information dated 23/09/2012 it has been told that instead of 41 (forty one) person total 63 (sixty three) has been appointed. So, what does the term means, post amount is less?

d. Does not the ward quota for Madaripur district is not under district quota? If not, then why the matter was not mentioned clearly in the job circular (pls provide specific information and attested copies of proof)? As an example, it has been mentioned in the circular that candidate from 14 district need not to be applied.

e. How the division wise ward quota has been divided? What does it mean by the manpower amount?

2. When the complainant did not receive information then he preferred an appeal on 07/01/2013 to Mr. Abu Taher, Director General, Bangladesh Railway and Appeal Authority, Rail Bhaban, Dhaka. Getting no response, he filed a complaint to the Information Commission on 29/01/2013.

3. The complaint was in the meeting of the commission on 13/02/2013. As per the decision of the meeting, the date of hearing was fixed on 03/032013 and both parties were summoned.

4. On the day of hearing both the complainant and the opponent were present and presented their statement. The complainant mentioned that, as per RTI Act, Section8 (1) he has applied to the Finance Advisor and Chief Accounts Controller of Bangladesh Railway. The Director of Communication Department of Rail Bhaban provided information on 01/10/2012 vide memo no 54.01.0000.002.04.008.12. As he was not satisfied with the information he preferred an appeal to Md Abu Taher, Director General of Bangladesh Railway on 07/01/2013. After getting no response from him he filed a complaint to information commission on 29/01/2013.

The Opponent mentioned in his statement that, as per RTI Act, he is not the designated officer. There is a designated officer for the concerned Bangladesh Railway Chittagong, East office. Complainant did not apply to the concerned designated officer and applied to the Finance Advisor and Chief Accounts Controller. He informed that, on 14/06/2013 the complainant has been delivered all required information. He also mentioned that, if the complainant apply for information under RTI Act, 2009 then it would be easier to get information. He applied to the commission to get relief from the charge.

Discussion

Considering the statement adduced and the papers submitted by both the parties it reveals that the complainant has not applied to the designated officer of the concerned office. It would be easier for him to get information if applied properly. The opponent Mr. Abul Fayez Md Abid is the Finance Advisor and Chief Accounts Controller of Bangladesh Railway Chittagong, East office and is not the designated officer of the section. So, he can be released from the charge and the case seems to be disposable as well.

Decision

The case is disposed of with the following directions:

1. The complainant is advised to apply to the proper Designated Officer for information and thus the complaint is resolved.

2. The opponent Mr. Abul Fayez Md Abid is the Finance Advisor and Chief Accounts Controller of Bangladesh Railway Chittagong, East office is released from the charge.

All the concerned should be sent copies.

Decision Paper  
(Date: 29/05/2013)  

The complainant requested the Executive Engineer and Designated Officer (RTI), Mr. Jiban Roaza through Registered post letter as per RTI Act, 2009 section 8(1) for the information mentioned below:  

* Copy of the written exam and number sheet of Viva -voce of the appointed candidates as Government Primary School Teacher in 2011, to Primary Education Division, Phase- 2 transferred to Khagrachari Hill District Council.  

2. Having received no information, the complainant preferred an appeal by registered post to the Chairman and Appellate authority (RTI), of Hill District Council, Khagrachari.  

3. The issue has been discussed in the commission on 13/02/2013. As per the decision of the commission, both the parties have been summoned for hearing on 03/03/2013.  

4. The complainant and the Designated Officer (RTI) both applied for time extension. Commission allowed their prayer. Both the complainant and the Designated Officer (RTI) were summoned for further hearing on 15/04/2013.  

5. On the day of hearing the Complainant Mr. Amik Chakma is present. The Designated Officer (RTI) Mr Jiban Roaza is absent and have applied for time extension again. On behalf of the Designated Officer, his lawyer Mr. Supal Chakma applied for time extension through a Fax at 5.45 PM on 14/04/2013. As 14/04/2013 was a government holiday, the issue of time extension has been presented to hearing on 15/04/2013. In the meantime, the complainant Mr. Amik Chakma was present in the commission. As the opponent was not present, he claimed that he has been harassed and financially faced loss and as compensation applied for 1500/- (one thousand five hundred taka). After considering the application for time extension that was sent lately by the Executive Engineer and designated officer (RTI), Mr. Jiban Roaza was considered leniently by the commission under RTI Act, 2009 section 25 sub clause 11(u) and by paying the TA/DA of the complainant as compensation of 1000/- (one thousand taka), the application is granted. Further, summonses was issued for the next hearing dated 30/04/2013 to the complainant and designated officer (RTI).  

6. On the date of hearing, the complainant Amik Chakma was present and the assigned lawyer Mohammed Abdul Halim Faruk, by the Designated Officer (RTI), Mr. Jiban Roaza applied to time extension to submit the explanation in written. Commission considered the application again with the condition to pay the complainant TA/DA 1200/- (one thousand two hundred taka). The next date of hearing was 09/05/2013 and both the complainant and designated officer were summoned.
7. Due to hartal, the date of hearing was shifted from 09/05/2013 to 29/05/2013 and informing the issue it was summoned to complainant and the designated officer again.

8. On the date of hearing, the complainant Mr Amik Chakma was present and on behalf of the Designated Officer (RTI) Mr. Jiban Roaza, assigned lawyer Mr. Mohammed Abdul Halim Faruk presented their statement. The complainant mentioned in his statement that under RTI Act, 2009 section 8 (1) he has applied for the information. When he failed to get the information then he preferred an appeal to the Appellate Authority (RTI). When the issue was not resolved then he filed complaint to the Information Commission.

9. On behalf of the Designated Officer (RTI), Mr Jiban Roaza, his assigned lawyer, Mr. Mohammed Abdul Halim Faruk mentioned in his statement that, the applicant applied for information on 03/12/2012. On that time Mr. Jiban Roaza, the Designated Officer (RTI) was abroad in a government work. For that reason, the information could not be provided in time. The applicant has asked for the Copy of the written exam and number sheet of Viva of the appointed candidates of Government Primary School Teacher, to Primary Education Division Phase-2 transferred to Khagrachari Hill District Council. Khagrachari Hill District Council thought that it was not mandatory to provide. The applicant did not participate in the examination. He does not have the right to get the exam paper copy of others. This issue can create such chaos later or social instability can occur. As per the commission comment, ‘After all the published exam result, the achieved number of participant would be considered as public document’, the assigned lawyer on behalf of the Designated Officer (RTI), Mr. Mohammed Abdul Halim Faruk ensured that the Copy of the written exam and number sheet of Viva-voce of the appointed candidates of Government Primary School Teacher, to Primary Education Division Phase-2 would be provided to the complainant. But he requested commission that providing copy of written exam papers might create any legal problem later.

10. The Designated Officer’s (RTI) assigned lawyer, Mr. Mohammed Abdul Halim Faruk mentioned in written statement that, as Mr. Amik Chakma was not a candidate for the exam, necessary information was not delivered to him. On hearing even the complainant also did not oppose the statement.

Discussion

Considering the statement adduced and the papers submitted by the both parties it reveals that the Designated Office (RTI) was abroad so the information could not be delivered on time. As the complainant is not the candidate of same exam, so the Copy of the written exam and number sheet of Viva of the appointed candidates of Government Primary School Teacher, to Primary Education Division Phase-2 was not provided to him. Though, the complainant Mr. Amik Chakma was not himself a candidate of the exam, so he did not oppose the statement and it revealed that providing such information to him will not be proper. As the Designated officer’s assigned Lawyer ensured that the number of viva would be delivered to the complainant, the issue seems to be disposable.

Decision

The complaint is disposed of with the following directions:

01. The designated officer is directed to provide the information to complainant on or before 06/06/2013.

02. Though the complainant Mr. Amik Chakma was not a participant of the exam, so the designated officer (RTI) is instructed not to provide the written exam paper copy to the complainant.
03. The Designated Officer is directed to deposit the amount realized as cost of information to the government treasury in code no: 1-3301-0001-1807 as per section 9 of the Right to Information Act, 2009 and Rule 8 of the Right to Information (Receipt of Information) Rules, 2009.

Complaint No- 88/2013

Decision Paper
(Date: 17/11/2013)

The complainant, Mr. Biplob Kumar Karmakar under RTI Act, 2009, section 8(1) applied to the Public Relation Officer and Designated Officer (RTI) of Bangladesh Government Public Service Commission Secretariat, Dhaka, Mr. Mir Mosharraf Hossain through a registered letter on 13-05-2013 seeking for the information below.

Regarding 29th BCS Exam related:

Q-1: How much marks obtained in viva-voce bearing the Reg. No- 113824 in 29th BCS?

Q-2: What was the lowest viva-voce mark of 29th BCS Exam, Foreign, Admin, Customs, Police and Tax Cadre recommended person? (only Merit and District quota)

Q-3: The honorable examiner who assessed the paper of Reg. no 113824 of the paper of Science and Technology, had any related sort of expertise in Computer Science and Technology (honors/masters/PHD)? if any, then his short profile. On which year he passed, from which university, achieved result/CGPA etc. If the honorable teacher had any other degree then it also can be mentioned.

02. When the complaint did not get the information in time, then he preferred an appeal through registered letter to the Secretary and Appellate Authority (RTI) Mr. Chowdhury Mr. Babul Hasan, Bangladesh Public Service Commission on 2/7/2013. While he did not get any solution, he then filed this complaint to the Information Commission on 11/8/2013.

03. The issue has been discussed in the meeting of the commission on 29/08/2013. As per the decision of the meeting, summonses were issued to the concerned parties fixing the date of hearing on 06/10/2013.

04. On the date of hearing, the complainant and the Designated Officer presented their statement. For further hearing another date for hearing was set on 22/10/2013 and the concerned Complainant, Designated Officer and Appellate Authority were summoned.

05. On the date of hearing, the complainant, Biplob Kumar Karmakar, Public Relation Officer and Designated officer of Bangladesh Public Service Commission, Mr. Mir Mosharraf Hoosian and assigned lawyer Md. Kabir Hossain Shikder were present for Appellate Authority. Due to some restriction and commission office transfer the Designated Officer requested to fix another date for hearing. Commission resettled another date on 17/11/2013 and the Complainant, the Designated Officer and Appellate Authority were summoned.

06. On the date of hearing, the complainant, Biplob Kumar Karmakar, Public Relation Officer and Present Designated officer of Bangladesh Public Service Commission, Helena Begum and assigned
lawyer of Appellate Authority, Md. Kabir Hossain Shikder were present. In the statement the Complainant mentioned that as per RTI Act, 2009, section 1 he applied for information to the Designated Officer. When failed to get so, he applied to Appellate Authority for further information. When also Appeal Authority (RTI) did not respond, then he filed complaint to the Information Commission. Then he received the information of written marks from sl-1. But he did not receive the number of Viva-voce. Even he did not receive information from sl 2 & 3.

07. Public Relation Officer and Present Designated officer of Bangladesh Public Service Commission informed in her statement that the complainant has been delivered the information of written information from serial-1. But there is no rule to deliver information of Viva-voce number from requested sl 1 & 2. If the number is delivered than the neutrality, secrecy and personal security of board members are at risk. So, if the requested Sl 3 mentioned data is delivered then the personal safety of the examiner will be hampered, so the information was not delivered.

08. In case of Sl 1 mentioned data, as the 29th BCS has been published it will be considered as public document. In case of Sl 3 mentioned data is about the examiner, the qualification without the Name can be delivered. The sl 2 mentioned data is not clear. Commission commented that the complainant can mention the Reg number of other cadres and can apply again.

Discussion

After listening to the complainant and Designated Officer (RTI) and assigned Lawyer of Appellate Authority and reviewing all the submitted proofs, it has been proved that Sl 1 mentioned data is a public document. Sl 3 mentioned data can be delivered mentioning the qualification of examiner without the Name. In case of sl 2, the complainant can mention the Reg number of other cadres and can apply again to the Designated Officer (RTI). In this case the Public Service Commission Act,1960 and RTI Act, 2009 can be reviewed for necessary action. After ensuring the information delivery of Sl 1 and 3 mentioned data by the designated officer, the case seems to be disposable.

Decision

The complaint is disposed of with the following instructions:

1. The sl 1 mentioned data is a public document and the designated officer and Public relation officer of Public Service Commission is instructed to deliver the data on or before 26/11/2013.

2. In case of Sl 2 mentioned data mentioning the examiner’s registration number the information can be asked from the Designated Officer (RTI), the complainant is instructed to do so.

Decision Paper
(Date: 17-11-2013)

According to the Right to Information Act, 2009, section 8(1) wise the Complainant on 05/05/2013, requested Designated Officer- RTI of Education Ministry for the information mentioned below:

a. The Education Deputy Secretary (Secondary) Mr. Shahidul Islam do not have any expertise on Investigation as per memo No 05.182.999.00.00.003. 2010-297 date 12/06/2011, why he was assigned to do so and the related papers in attested format.

b. As per memo no SHE/6-C/70-SM/2008/14847/11-SM, date- 15/10/2012 for illegal order, continuous complaint has been done against the Education Secretary, so why necessary action would not be taken against the Deputy Secretary(Secondary) Mr. Shahidul Islam.

c. What is the reason for the education secretary to violate the order of Honorable President?

02. While the complaint did not receive the information, he filed an appeal application to the Education Ministry Secretary and Appellate Authority (RTI) on 30/6/2013. When he did not get any information, then he filed the complaint to the commission on 19/8/2013.

03. The issue has been discussed in the meeting of the commission on 29/08/2013. As per the meeting decision, summonses were issued to the concerned parties on dated 06/10/2013 for hearing.

04. On the date of the hearing, the Designated Officer (RTI) was absent and applied for time and the Complainant was also absent. The application of the Designated Officer was granted and on next 22/10/2013 has been summoned to the both parties.

05. On the date of hearing, the Complainant was again absent. The Designated Officer was present. On the 17/11/2013 the next hearing was summoned and informed both the parties.

06. On the date of hearing, the Complainant Mr. Pranab Kumar Deb, Designated officer (RTI), of Education Ministry Mr. Nazmul Haq Khan were present and given their statement. The complaint informed that as per RTI Act, 2009 section 1 he applied for the information to the Designated Officer. When he did not get any response, then he applied to the appellate authority. When he did not get any response, then he filed complaint to the Commission. On next 15/11/2013 he informed that he received partial information. But he is not satisfied with that.
The complainant filed complaint against a. mentioned Education Ministry Deputy Secretary (Secondary), b. mentioned Secretary and DG, c. mentioned Secretary. The Senior Authority do not have any knowledge and expertise and that’s why the complainant informed that why they have violated order of the honorable president. But he could not give proper answer about the complaint file. The Government Employee Regulation Rules, 1985, section 2/F, iv if any false and intentional complaint is found, then it will be considered as the violation of rules. As per the same act, section 6 and 7 the Investigation Officer- Whoever not from any below post, will be honored and will operate the rules. It was necessary to do any sort of investigation against the assistant teacher by the Head Master. When the same was done by a Deputy Secretary level officer and his qualification is under question then it is violation of Government Employee regulation and it is violation of filing complaint against them.

**Discussion**

After reviewing the statement of the Complainant, Designated officer-RTI and submitted documents it was found that, the filed complaint of sl a, b and c are found against the higher authority which is unrestrained, false, annoying and trivial. The complainant could not explain the reason for filing the complaint. He has filed complaint by commenting adverse against higher authority (government officer) that is against the Discipline & Appeal Rules, 1985. So, it would be appropriate to draw Departmental Procedure against him as per said law.

**Decision**

After detailed discussion, the complaint is disposed of with the instruction given below:

Discussion

Hearing the statements of both the complainant and the Designated Officer (RTI) and reviewing the submitted evidences it was noticed that, the Designated Officer (RTI) sent the letter to the complainant to
collect the information paying the cost of the information. As no evidence about paying the cost of the information was in the hand of the Designated Officer (RTI) it was not possible for him to provide the information to the complainant. He kept the information to provide to the complainant. As the Designated Officer (RTI) ensured to provide the requested information to the complainant as per the direction of the Commission, the complaint seems to be disposable.
